Terms & Conditions :

- This is standard social media marketing pricing and as per requirements, prices may vary.
- Our YouTube package includes providing a thumbnail and uploading the video according to SEO norms. Editing, however, is not included in this package.
- YouTube video editing and recording are charged separately.
- One revision is allowed free of charge. Any additional revisions will be charged according to our company's standard rates.
- If you require any services beyond those mentioned in this package, they will be subject to additional charges based on the specific service chosen.
